Dating Intention

Before We Commit

Relationship direction

Write separately before comparing. If an answer is uncertain, say what would clarify it.

What does a committed relationship look like in an ordinary week?

Commitment

If marriage is your goal, what would help you decide you are ready?

Marriage timeline

Where would you want to live in three years? What could change your mind?

Location

How much time do you want for friends, solitude, and shared routines?

Daily life

Dating Intention

Before We Commit

Family, faith, and money

Compare what you do today with what you would want in a committed relationship.

How involved should extended family be in major decisions and holidays?

Family

Which practices or values would you want to share? Where is flexibility possible?

Faith and values

Which decisions should be made together? How would you handle a surprise expense?

Money

What hopes or responsibilities might shape decisions about children or caregiving?

Children and caregiving
